

**FLEET 8 SOUTHERN CALIFORNIA
OTHER HELMSMAN / ASSOCIATE MEMBER APPLICATION**

The J/105 class is an owner / driver class with a provision for a "long term shipmate and friend" to be an alternate helmsman also known as an Associate Member. Applications for Associate Member must be made by the owner or co-owner of a J/105 and signed by both the applicant and nominee. J/105 class rule 3.4 and the Technical Committee rule interpretation RI-02-17 (shown below) apply and will be used by the Fleet 8 executive committee in evaluating each application. A separate application must be made for each and every proposed Associate Member and must be accompanied by the dues payment for the proposed Associate Member.

J/105 Class Rules:

3.4 The Driver shall either be an Active Member or an Associate Member. Any Driver who is an Associate Member shall be a Group 1 competitor and be either (a) a member of an Owner's immediate family or (b) a long term shipmate and friend of an Owner. A Driver is defined as the person or persons who, excepting for momentary absence due to personal or ship-board needs, steer(s) the yacht during the 5 minutes prior to and including the start, until the finish. Any Driver of a boat who is not a Group 1 competitor must be either (a) the 100% Owner of such boat or (b) the Charterer of the boat and the Owner is not on board.

3.7 The term "long term shipmate" of an Owner means an individual who (i) During the immediately preceding 12 months, sailed with the Owner on at least 6 race days (whether or not on a J-105), and (ii) during the immediately preceding 24 months, the person sailed with the Owner on at least 18 race days and in 50% of all sailboat races in which the owner competed (other than sailed in dinghies).

8. The J/105 class emphasizes owner / driver participation. It is the practice in Fleet 8 to interpret the following excerpt from class rule 3.6 to include all Fleet 8 High Points regattas. Owners who are unable to participate in a High Points regatta because of unforeseen business or family commitments may submit a request to any Fleet 8 officer to allow an approved Associate Member for that boat to enter and drive in place of the owner. It is understood that this approval will be granted only on an exception basis.

“... the Owner (or one of several Owners) or the Charterer of the J/105 shall be on board at all times while racing, except for temporary absences excused for good reason by any Class Officer (or the Officer's designee) not participating in such regatta.”
